

Website Banner Instructions

CodeWizardsHQ has provided website banners to help promote the Logic Challenge to your students and their families. These will encourage participation and generate excitement about the Challenge.

- We suggest placing banners on your school and district website homepage or other prominent pages that feature similar information such as tech, logic, math, or science topics.
- Please link the banner to this URL:
<https://www.codewizardshq.com/logic-challenge/>
- We have attached two sizes for your use. Need other image sizes? We can help with that. Just contact us at logicchallenge@codewizardshq.com and we can provide them for you.
