

## Parent Email Template

Teachers, we have provided the following email to accompany the Parent Flyer. It includes additional information about the Logic Challenge. There is a space at the bottom to enter your class code for handy parent reference.

Subject: Join Our Class in the 6th Annual CodeWizardsHQ Logic Challenge!

Dear Parents,

I would like to invite our class to participate in CodeWizardsHQ's 6th Annual Logic Challenge! This event is designed to build 21st-century computational thinking and problem-solving skills through fun, interactive logic challenges tailored to their age group.

The challenge is free, open to all skill levels, and an excellent opportunity for your child to sharpen their logic and critical thinking skills. Plus, they can compete alongside their classmates and kids across the nation for a chance to win tech prizes.

The ten-week Challenge starts on February 24th and ends May 4th. Students can join the Challenge at any point and catch up on past weeks. Let's make this a fun and educational experience for our class!

Register here: <https://www.codewizardshq.com/logic-challenge/> and don't forget to use our class code (Insert your class code here) when registering.

Best regards,
