Subject: Join the 6th Annual CodeWizardsHQ Logic Challenge!

Dear Parents,

CodeWizardsHQ invites students to participate in their 6th Annual CodeWizardsHQ Logic Challenge! This event is designed to build 21st-century computational thinking and problem-solving skills through fun, interactive logic challenges tailored to their age group.

The challenge is free, open to all skill levels, and an opportunity for your child to sharpen their logic and critical thinking skills. Plus, they can compete alongside their classmates and kids across the nation for a chance to win tech prizes.

Key Highlights:

- Students Build 21st-Century Computational Thinking & Problem Solving Skills: Through weekly fun logic problems, students sharpen their critical thinking, enhance creativity, and improve their ability to break down complex problems into simpler solutions.
- Prizes to be Won: Kids can earn exciting tech prizes based on their performance.
- Fun and Engaging Weekly Activity: Interesting, story-based, interactive activities that students look forward to completing each week.
- Free and Open to All Skill Levels: The challenge is open to all students, regardless of their experience level.

Register your child for the challenge here:

www.codewizardshq.com/logic-challenge/. The Challenge starts on February 24th and runs until May 4th.

Best regards,
[Your Name]
