LOGIC CHALLENGE

TEACHER'S GUIDE

NEXT STEPS AFTER REGISTRATION

REGISTER YOUR CLASS FOR THE CODEWIZARDSHQ LOGIC CHALLENGE

Give your students the opportunity to learn critical thinking skills, challenge their friends, and win our ultimate prizes!

HOW TO REGISTER STUDENTS

1

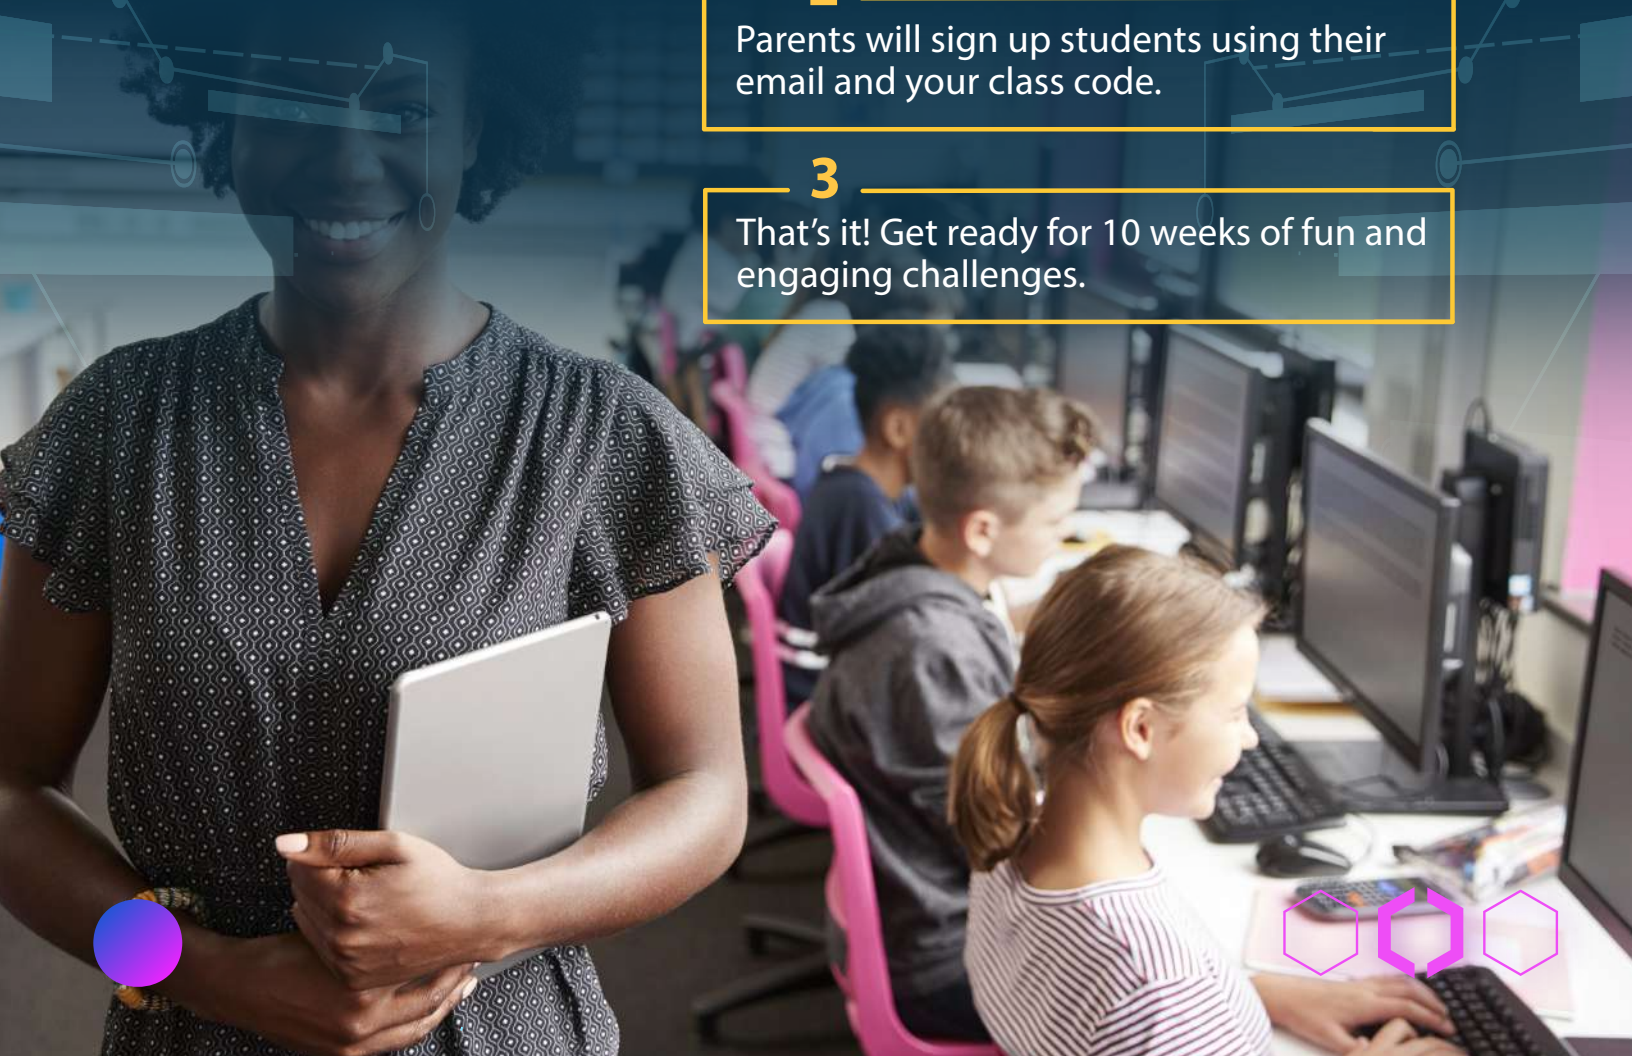

Send your students home with the Logic Challenge flyer with class code and registration link. Or send it digitally. The flyer is included in your Teacher's Kit.

2

Parents will sign up students using their email and your class code.

3

That's it! Get ready for 10 weeks of fun and engaging challenges.

SPREAD THE WORD ABOUT THE CODEWIZARDSHQ LOGIC CHALLENGE!

CodeWizardsHQ is excited to have your support in encouraging student participation in the Logic Challenge. Here are some ideas to get the word out.

Announce in Class:

Mention the Challenge during class, highlighting the benefits of enhancing logic and critical thinking skills. Emphasize that it's free, beginner-friendly, and offers the chance to win prizes.

Share Via Email:

Forward the email and flyer we've provided to your students' parents. Feel free to personalize it with your name, class, and school information.

Display Posters:

If you have a classroom or online board, consider displaying the provided flyer about the Challenge.

Social Posts:

Use the posts and texts provided to message across school and class sites about the Logic Challenge opportunity.

Encourage Team Participation:

Motivate your students to participate as a class. This can foster teamwork and make the Challenge more engaging.

Thank you for helping spread the word about the CodeWizardsHQ Logic Challenge!
By sharing with students, you're offering them an exciting opportunity to improve their skills, have fun, and win great prizes!
